

**HOMELESS AWARENESS AND SENSITIVITY ELEMENTARY AND MIDDLE
POSTER & HIGH SCHOOL ESSAY CONTEST
DEADLINE DECEMBER 14**

******* CONTEST RULES *******

Thank you for your interest in the Miami-Dade County Homeless Trust's Annual Homeless Awareness and Sensitivity Poster and High School Essay Contest. The poster contest is for elementary and middle school students. **The essay contest is for all high school students.** All participants must be MDCPS and Miami-Dade home education students.

POSTER CONTEST (OPEN FOR ELEMENTARY AND MIDDLE SCHOOL STUDENTS)

Utilizing poster board that is no larger than 22 x 28 inches, create artwork, designs, or story lines that will visually impact the judges. Entries will be evaluated on creativity, content, and on how powerful one of the following messages is illustrated:

- How would you like to be treated if you were experiencing homelessness?
- How can housing help us end homelessness?
- How is housing homeless individuals a cost-effective way to end homelessness?
- Why should we care for and respect individuals experiencing homelessness?
- Illustrate ways in which you can show a homeless person that you care about him/her.
- Show why bullying, hurting, or demeaning a person who is experiencing homelessness is wrong.
- Explore the ways you can help and impact homeless individuals without giving them money directly.
- Housing homeless veterans is a priority for the Homeless Trust because of the sacrifice they made on our Country's behalf. Illustrate reasons why the Trust is so committed to these men and women and/or why solving their homelessness is of particular priority.

Please note that the Miami-Dade County Homeless Trust has an anti-panhandling approach to ending homelessness (www.homelesstrust.org/meters.asp). Students wanting to focus on giving money to this cause should consider themes showing alternatives to giving money to panhandlers who may or may not be experiencing homelessness. The aim of the Trust is to help homeless individuals move off the streets and into programs that can assist them. Posters should reflect the importance of how community, family, and friends join together to assist in the process of breaking the cycle of homelessness for individuals. While adult supervision is welcome, posters must be the vision and creation of the student. Students should not feel compelled to do one-dimensional art. We welcome creativity of all kind! Posters should be dropped off at Lindsey Hopkins Technical School – 750 NW 20th Street Miami, FL 33127 by 5 PM Friday, December 14, 2018.

Every poster must have the student's name, teacher's name, grade, and school written on the back of the poster. In addition, the entry form should be securely affixed to the back of the board.
