

Help End Veteran Homelessness

The Miami VA and the Miami-Dade County Homeless Trust, together with our partners, are calling on active and retired veterans to join our outreach teams to identify and engage the few remaining street homeless veterans in Miami-Dade County.

The Continuum of Care is seeking individuals who possess the following unique qualities needed to help some of the most vulnerable veterans in our community, with the goal of getting them off the streets and housed:

- ✓ Understanding of Personal Limitations
- ✓ Ability to Communicate Effectively
- ✓ Ability to Listen
- ✓ Compassion
- ✓ Empathy
- ✓ Support

Active and retired service members are sought to partner with experienced outreach workers from July – August, 2-3 times per week, devoting an hour for each veteran outreach mission.

Interested veterans are urged to contact Victoria Mallette, Executive Director, Miami-Dade County Homeless Trust, at vmallette@miamidade.gov or 305-375-1491.

**Be among the first responders to help veterans in crisis.
Ensure no veteran is left behind.**
